Who We Are

Computer Assisted Testing Service, Inc. (CATS) is an FAA-approved testing service provider authorized to conduct high-stakes examinations for the U.S. Department of Transportation Federal Aviation Administration (FAA) via Organization Designation Authorization (ODA) Holder.

CATS is a privately owned corporation headquartered in San Mateo, CA. Incorporated in 1988, CATS initially operated in various service related projects for local ground schools. Its founders were aviation professionals involved in flight training including simulators, air charter, and Fixed Base Operators at local airports. In 1993, CATS was approved to conduct computerized testing services for 70 FAA Airmen and Mechanics knowledge based examinations.
